An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at Town of Woodbury City Hall, 101 South Main Street, Woodbury, TN 37190 and may be examined or copied weekdays 8:00 a.m. to 4:00 p.m..

## **ENVIRONMENTAL CERTIFICATION**

Town of Woodbury certifies to the Tennessee Housing Development Agency that Mayor Andrew Duggin in his capacity as Mayor consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. The Tennessee Housing Development Agency's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the Town of Woodbury, TN to use Program funds.

## **OBJECTIONS TO RELEASE OF FUNDS**

The Tennessee Housing Development Agency will accept objections to its release of funds and the Town of Woodbury's certification for a period of 15 days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of the Town of Woodbury; (b) the Town of Woodbury has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by the Tennessee Housing Development Agency; or d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Because the grant award year Project will involve activities at several scattered sites for which the exact location will not be known for some time, an environmental review strategy has been developed including Site Specific Checklists, to assure that the required environmental review is completed for each site. If environmental factors are identified as having an impact on the project or any of the specific project sites, they will be addressed on a case by case basis.

Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to the Tennessee Housing Development Agency, Andrew Jackson Building, Third Floor, 502 Deaderick Street, Nashville, TN 37243, Attention: Community Programs Division.
